

Mathematics Class III

Reference Book: Oxford Primary Mathematics.

Week 7				
Date	Chapter #	Topic	Page #	Question #
04-05-20	5	Solving word problems	140 and 141	Solve question number 3 and 4 from page number 140 and question number 1, 2 and 3 from page number 141 in your notebooks.
05-05-20	6	Volume in millilitres	145	Solve question number 3, 4 and 5 in your notebooks.
06-05-20	6	Volume in millilitres	147	Do the given activity with your friends in groups of 4 and then send a video of that activity.
07-05-20	-	Tables	-	Learn 6 and 7 times tables.
08-05-20	-	Tables	-	Learn 8 and 9 times tables.
09-05-20	-	Tables	-	Learn 12 and 13 times tables.
Week 8				
11-05-20	6	Volume in millilitres	148	Solve the exercise in your notebooks.
12-05-20	6	Volume in litres and millilitres	151	Solve question number 4, 5 and 6 in your notebooks.
13-05-20	6	Volume in litres and millilitres	152	Solve question number 7 in your notebooks. Do the given activity with your friends and send a video

				of that activity.
14-05-20	6	Volume in litres and millilitres	153	Solve the practice exercise in your notebooks.
15-05-20	6	Solving word problems	155	Solve question number 2 and 3 in your notebooks.
16-05-20	6	Solving word problems	156	Solve the practice exercise in your notebooks.
Week 9				
18-05-20	7	Dollars, cents and rupees.	160	Solve question number 3 in your notebooks.
19-05-20	7	Dollars, cents and rupees.	163	Solve question number 7 and 9 in your notebooks.
20-05-20	7	Dollars, cents and rupees.	165	Solve question number 1,2 and 3 in your notebooks.
21-05-20	7	Subtracting money.	168	Solve question number 4 in your notebooks.
22-05-20	7	Subtracting money.	169-170	Solve question number 8 and 10 from page numbers 169 and 170 in your notebooks.
23-05-20	7	Subtracting money.	171	Solve the practice exercise in your notebooks.
