

Homework
Class 9th A, B
Subject: Mathematics

Chapter No.6 Algebraic Manipulation

Exercise No.6.1

i) Highest Common Factor (H.C.F)

***H.C.F by factorization**

***H.C.F by Division method**

ii) Least Common multiple (L.C.M)

iii) Relationship between H.C.F & L.C.M

Exercise No.6.2

iv) Basic operations on algebraic fractions

Exercise No.6.3

v) Square root of an algebraic expression

***by factorization**

***by division**
