

Holiday's Homework Class O-III

Computer

Study Chapter 9 Problem solving and Design

Algorithms

Test Data

Validation and verification

Using trace tables

Identifying and correcting errors

Producing algorithms

Solve Activities of Chapter 9

Study Chapter 10 Pseudocode and flowcharts

Introduction

Assignment

Conditional statements

Loop structures

I/O statements

Standard actions

Examples of algorithms in pseudocodes

Standard flowchart symbols

Solve Activities of Chapter 10

Computer Teacher class 8-A: Mr. Raza ul Haq
